

SCHIMSS Scholarship Program

Purpose: To provide financial assistance and recognition to qualified students in accredited programs in health management, health information technology, management programs with a health focus, or technology programs with a health focus.

Program Structure, Eligibility and Award Criteria: A (\$3,000) scholarship will be offered to two students in an undergraduate or graduate program.

1. Scholarships will be offered to students in the following types of programs:
 - a. Health information management/technology
 - b. Health management, with a focus in information management/technology
 - c. Clinical programs with a focus in information management/technology
 - d. Health science programs with a focus in information management/technology
 - e. Business management programs with a focus in health information management/technology
 - f. Management science programs with a focus in health information management/technology
 - g. Other types of degree programs which emphasize health information management/technology
2. Participation is open to students who are enrolled in a degree program in an accredited college or university.
3. Eligibility for scholarship award will be based upon the following criteria:
 - a. Individual submission of scholarship application
 - b. Two letters of professional recommendations accompany the application. These should be from individuals that are familiar with the students work such as a work supervisor or college professor
 - c. A short essay (up to two pages) that addresses:
 - i. why information management/technology is important in healthcare today,
 - ii. why the student has chosen the field, and
 - iii. discussion of a major issue facing the health industry and how information technology can address the issue
 - d. Grade point average at or above 3.0. A most recent, official transcript must be included with the scholarship application.
4. Criteria for Evaluation of application and award of scholarship will include, at a minimum:
 - a. Meets or exceeds grade point criterion
 - b. Quality of recommendations

- c. Quality of applicants essay
- d. Student is a member of SCHIMSS
