The South Carolina Chapter of the **Healthcare Information and Management Systems Society (SC HIMSS)** is a volunteer organization whose primary goals are to develop educational and regional networking programs and provide statewide leadership for the advancement and management of healthcare information and technology. With the backing of HIMSS which operates on a national and even international scale, we participate in shaping the healthcare industry, encouraging the use of technology and promoting public policies that will improve healthcare delivery.

The South Carolina is a diverse group of 1000+ healthcare IT professionals working across the state. Chapter Members work at hospitals, corporate health systems, consulting firms, vendor organizations, universities, and a wide variety of other organizations. Sponsorship provides you with exposure to high-level decision makers throughout the state. Our membership roster and includes CIO, CTO, Director levels of Clinical, Compliance, Information Security as well as Datacenter responsibilities.

There are various forms of sponsorship for events with increased benefits as the value of sponsorship increases. **Please contact our Sponsorship Chair, Kristina Mears at (770) 330-6472 or [krismea@cdw.com](mailto:krismea@cdw.com)** if you are interested in becoming a sponsor!
